

The Phone Validation Bonus Terms & Conditions

1. Introduction

The Phone Validation Bonus Terms and Conditions shall be read together with the Company's "Terms of Business" and "Account Opening Agreement" and it is considered an annex of all the information included in these two documents. The Phone Validation Bonus is available for all the Clients who have successfully opened and funded their trading account with the Company in accordance with the "Account Opening Agreement".

2. How it works

Communication with our Clients is important to LMFx (The Company). Apart from communicating by e-mails or via Live Chat we offer our Clients the possibility to validate their mobile telephone number, thereby providing us with one more method by which to reach them. Moreover, every Client who successfully validates their telephone number will be able to receive the Phone Validation Bonus which can be withdrawn.

3. How to do it ?

1) First, login into your LMFxconnect account. Click on your Username in the upper right corner and go to your Profile.

2) Fill in your current and correct mobile telephone number into the field "Phone". Then click on the "Phone Validation" tab and "Request Code"

3) You will receive a four digit number code, it has to be submitted into the "Code" field, which will appear. Fill in the correct code and complete the whole process by clicking on "Validate".

From the moment when your telephone number has been validated you are eligible to receive the "Phone Validation Bonus" as described below.

4. Conditions

- To be able to receive the "Phone Validation Bonus", Clients have to successfully complete the volume requirements of three (3) lots traded on their live trading accounts.
- There is no time limit for the completion of the bonus volume requirements
- When the volume requirements are met, the Client becomes automatically eligible to receive the Phone Validation Bonus
- The Client will be rewarded with a bonus of 20USD, which will be sent to their trading wallet within 48 hours of completing the volume requirements
- Pay outs of the Phone Validation Bonus will be processed at the beginning of each week
- After receiving the Phone Validation Bonus in the trading wallet, usual withdrawal procedures will apply

5. General Terms

The mobile telephone number used for the verification must be the same number submitted by the Client during the account registration. The Client needs to contact support@lmfx.com to update his account information if the telephone number entered in the Company's file is a landline, or is incorrect or no longer in use.

The mobile telephone number submitted by the Client via the LMFxconnect account must be personal and unique. Only one telephone number can be assigned to each Client's account. In case that the Company discovers, that a particular telephone number is used or intended to be used by two or more individual Clients, either or both the Clients may be subject to actions described below.

The Company reserves the right to decline the registration of any prospective participant of the Phone Validation Bonus without having to explain the reasons of such decision or remove the Client at any time from the Phone Validation Bonus at its sole discretion. If a suspicion arises that a Client has abused or attempted to abuse this Bonus, the Company reserves the right to either temporarily or permanently suspend that Client's access to the service and/or block that Client's trading account.

The Company will cover the usual costs of sending an SMS to the Client. Nevertheless, the Company will not have any responsibility for any additional fees required by the Client's network provider for receiving incoming messages, roaming charges or any other fees.

The Company has the right at any time to amend or terminate the "Phone Validation Bonus Terms and Conditions" or any part of it without prior notice. Such changes will be announced on the Company's website. It is recommended that the Client consult these Terms and Conditions regularly.

Participation in the Phone Validation Bonus program is not allowed for persons under the age of 18 or otherwise under the legal age in their country of residence (minors).

These Terms and Conditions are governed by and construed in accordance with the laws of the Republic of Macedonia. Any conflict or situation not described in this document will be resolved by the Company management in a rightful manner.

The Client acknowledges that Forex and CFDs are leveraged products which involve a high level of risk. When trading in such products, it is possible for Client to lose all their capital. These products may not be suitable for everyone and Client should ensure that he understands all the risks involved.
