The HotForex VIP Partners Rewards 2018 (herein the “VIP Partners Rewards”) is a tiered promotion that is offered exclusively by HF Markets (SV) Ltd (herein the “Company”) to its Affiliates under the following Terms and Conditions.

1. Introduction

- 1.1. The HotForex VIP Partners Rewards is available to all Affiliates of the Company who have satisfied the Criteria for this promotion as set out in paragraph 1.2. of the HotForex VIP Partners Rewards 2018 Terms and Conditions.
- 1.2. In order for an Affiliate to be eligible to participate in this promotion he must have opened a myHotForex Account with the Company as per the Account Opening Agreement, applied for the Affiliate account as per Affiliate Agreement and must have been approved by the Company as its Affiliate. It is noted that an Affiliate must have completed the age of 18 or the legal age applied in his country of residence or must not be otherwise considered as a ‘minor’ in his country of residence.
- 1.3. The Affiliate hereby acknowledges, confirms and accepts to be legally bound by the Terms and Conditions as set out in this HotForex VIP Partners Rewards 2018 and/or any other legally binding Agreement between him and the Company.

2. Registration and Trading Period

- 2.1. The promotion runs from July 02, 2018 until January 31, 2019.
- 2.2. The Affiliate can register to participate in the promotion via his myHotForex client area, Partners section – VIP Partners Rewards tab.
- 2.3. Participants can enter the VIP Partners Rewards only once.
- 2.4. Only positions opened by Clients assigned under the Affiliate after the Affiliate has registered for the VIP Partners Rewards and closed before January 31, 2019 at 23:59 Server time (GMT+2) will be counted towards volume target calculation.

3. Terms and Conditions

- 3.1. Participants shall be eligible to redeem the prize based on the Deposit Target and Volume Target accumulated based on net deposit and trading volume scores, as deposited and traded by their directly introduced clients.
- 3.2. Deposit Target is calculated by accumulated net deposits (deposits – withdrawals) of the Clients directly introduced by the Affiliate only, made from the date of an Affiliate’s registration to VIP Partners Rewards.
- 3.3. Volume Target is calculated by accumulated volume in standard lot size, traded by the Clients directly introduced by the Affiliate only, counted from the date of an Affiliate’s registration to VIP Partners Rewards.
- 3.4. The VIP Partners Rewards prizes, Trading Volume Target and Deposit Targets are as follows:

Deposit Target	Volume Target (Standard Lot size)	Prize (or Cash equivalent)
250,000 USD	3000	Meet your Broker (Trip to Cyprus for 2)
150,000 USD	1500	Rolex Oyster Perpetual 114200 Steel Oyster or cash equivalent of 5,000 USD
75,000 USD	750	Apple MacBook Pro 13-inch or cash equivalent of 2,000 USD

- 3.5. Affiliate can monitor his Deposit and Volume Targets on his myHotForex client area, VIP Partners Rewards tab.

- 3.6. In case the client's deposit is in a currency other than USD, the applicable conversion rate of the day is applied to calculate deposit target in USD currency.
- 3.7. The Affiliate's own accounts are excluded from the VIP Partners Rewards promotion, therefore deposits and volume traded on Affiliate's own trading account shall not be counted towards the Deposit and Volume Targets.
- 3.8. The Deposits and trading volume of Clients introduced by sub-Affiliates of the Affiliate shall not be counted towards the Deposit and Volume Targets.
- 3.9. From the date of an Affiliate's registration to VIP Partners Rewards, ANY new deposit and/or withdrawal will be counted towards the Affiliate's Deposit Target. This means that if an existing client introduced by an Affiliate withdraws funds after the registration date, the withdrawn amount will be counted towards his Deposit Target.

Example:

An Affiliate registers for the VIP Partners Rewards and one of existing Clients introduced by him makes a USD10,000 withdrawal. The number 0 will be displayed on the Deposit Target. If any other client of the Affiliate then deposits USD 12,000, the Affiliate will still see USD 2,000 as his deposit target (-10,000 + 12,000 = 2,000)

- 3.10. External transfers (deposits and/or withdrawals) are included and counted towards the Deposit Target.
- 3.11. In case the Affiliate has an Affiliate account registered with another company of HF Markets Group, the Deposit and Volume Targets shall not be cumulative and are calculated separately for each Affiliate account registered with each Company.
- 3.12. New deposits and/or withdrawals done by Clients introduced by the Affiliate into PAMM Manager and PAMM Investor accounts shall not be counted towards the Affiliate's Deposit Target.
- 3.13. Volume traded on PAMM Investor and/or PAMM Manager accounts of Clients introduced by the Affiliate shall not be counted towards Volume Target calculation.
- 3.14. The positions opened by Clients introduced by the Affiliate, prior his registration for the VIP Partner Rewards shall not be counted towards the Affiliate's Volume Target.

3.15. Only forex, gold, silver and cryptocurrency positions traded by Clients directly introduced by the Affiliate shall be counted towards the Affiliate’s Volume Target.

3.16. Eligible trades must be kept open for more than 2 minutes. The trades that were open for less than 2 minutes shall not be included towards the Volume Target calculation.
